AACI Named 2026 California Nonprofit of the Year!

In May, AACI celebrated our community impact at California Nonprofits Day at the State Capitol. In recognition of AACI's 50+ years of service, we were selected as 2026 California Nonprofit of the Year by AM Patrick Ahren, representing the 26th Assembly District. **We're grateful for receiving statewide recognition for our community impact!**

Back to School Health Fair

AACI's 2nd annual Back to School Health Fair supported **1,200+ community members** with health resources and free screenings at AACI Health Center and Family Dentistry. We had **over 45 booths in our resource fair**, consisting of AACI programs and other community partners offering helpful resources and free giveaways. With the help of our generous donors and volunteers, we were able to distribute about **1,000 backpacks and kits filled with school supplies** to local K–12 students!

Message from an AACI BH Client:

*"Looking at who I was before therapy and who I am now, I can see a version of myself that is kinder, calmer, and more stable... **Thank you for guiding me with patience, understanding, and care.** Thank you for helping me understand myself in deeper ways and for giving me the tools to navigate my emotions and relationships more wisely."*

AACI Family Dentistry is Now Open at Our Moorpark Office!

NEW!

AACI has been offering dental services at our Jackson location since 2024, and now we've extended those services to our Moorpark location as well! Our new Family Dentistry suite has four dental examination rooms, including one especially designed for children. **AACI Family Dentistry is currently accepting new patients at all locations! Call (408) 975-2730 for more information or to make an appointment.**

Financials

AACI thanks the generous donors who have invested in our efforts this fiscal year. To view a donor list and audited financial statements, please visit *www.aaci.org/financial*.

Revenue: $37.3M

Expenses: $35.2M

AACI is Letting Community Insight Shape Our Services!

This past year, AACI launched our Community Advisory Council, made up of current and former clients, to help us improve our services and step into community leadership. Putting that mission into practice, we brought two council members to Sacramento last April for Immigrant Day of Action. They met directly with state legislators, sharing their stories to fight for the essential services our communities need!
