Maria immigrated from Mexico 30 years ago with her two children and has worked steadily as a dishwasher and cook to support her family. When Maria lost her job and her health insurance, it was the first time she felt the need to ask for help. She came to AACI Health Center and was greeted by her Patient Navigator Leticia, who spoke Spanish and helped to translate for Maria during her doctor's appointment.

"AT AACI, THERE IS SOMEONE WHO SPEAKS YOUR LANGUAGE AND WHO WILL HELP. WHEN I WALK THROUGH THE DOOR I SEE SMILES AND I AM VERY HAPPY TO BE HERE."
